Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Saturday 06 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers, mainly north on Sunday. Very strong winds easing later.

This Evening and Tonight:
Frequent showers in the north and west, merging at times in the far north. Dry and largely clear in the east. Very windy, severe gales or storm force winds in the north.

Sunday:
Showers continuing in north. Mostly dry, bright for Central, southern Scotland. Strong gusty west or northwest winds, severe gales, locally storm force, in the north and east, easing during afternoon.

Outlook for Monday to Wednesday:
Turning wet, windy and mild during Monday. Remaining windy with showers in the west on Tuesday and Wednesday, drier and brighter in the east. Temperatures nearer normal for mid-November.
